“Always Follow Your Dreams”

LINDA NATHAN  
Co-Director

Dear Class of 1995,

What a wonderful group of individuals. I feel privileged to have worked with you over the years. You each bring such amazing qualities to this school such as your humor, insights, and nagging. I admire how you have supported one another and the school. I hope that you go forward knowing yourselves and the world a little bit better because of what Fenway has instilled in you. We hope that we remain friends for the years to come.

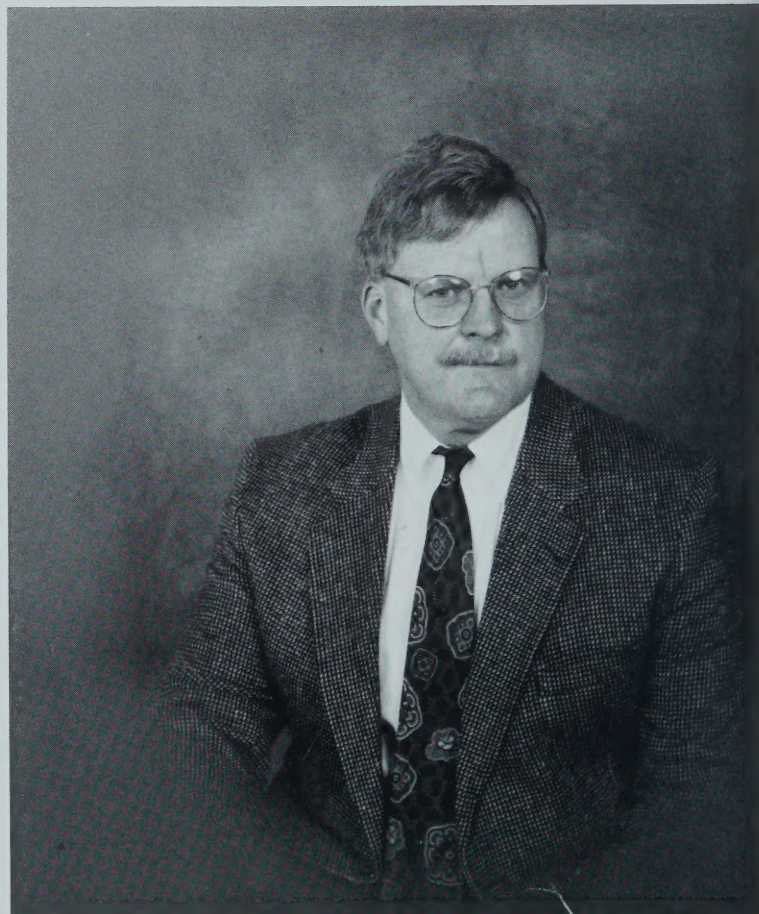

Best of luck,  
Ms. Nathan
